

# 6022 Mill Camp Northstar California

Offered at \$567,500  
3 bedroom, 2.5 bath, approximately 1261 sq ft

wood burning rock fireplace,  
vaulted open beam ceiling

views of forested open space and Sierra Crest

upgraded, enclosed entry with stone flooring

This beautifully remodeled, end unit backs to open space forest with views of the Sierra Crest and the ski trails of Lookout Mountain. The enclosed entryway adds very useful square footage and the loft modification opens up the kitchen area yet retains some loft functionality. Tastefully upgraded kitchen with leathered granite counters and modern appliances make this unit move-in ready. Also, a nice half bath was added downstairs with a full sized stacked washer and dryer adjacent. Conveniently located just across from the Mill Camp shuttle stop makes coming and going with skis about as easy as possible. A must see!

Northstar-at-Tahoe is one of Lake Tahoe's premier resort communities featuring downhill skiing, summer mt biking, cross-country skiing, recreation center with fitness, year round outdoor swimming, tennis, 18 hole golf course, central village with skating, restaurants, shops, 24 hour security and complimentary shuttle service for owners and guests. Please contact us for a tour of this Northstar home and Northstar's amenities.
